# Operational Plan

FY 2024-2025

Office of the Comptroller and Auditor General of Bangladesh

# Operational Plan FY 2024 - 2025

Office of the Comptroller and Auditor General of Bangladesh

#### Message from DCAG (Accounts and Reports)

I am delighted to announce the completion of the Operational Plan for the fiscal year 2024-2025 by the Office of the Comptroller and Auditor General (OCAG) of Bangladesh. As Morris Chang wisely noted, "Without strategy, execution is aimless. Without execution, strategy is useless." This plan embodies our commitment to aligning strategy with effective implementation.

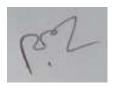

Key components of the Operational Plan include clear objectives, defined activities, quality standards, key targets and performance indicators, a robust risk management plan, resource requirements, implementation timelines, and a process for ongoing monitoring.

This marks our fourth consecutive Operational Plan in alignment with OCAG's Strategic Plan for FY 2021-2025. It outlines collaborative efforts among OCAG, Audit Directorates, the Financial Management Academy (FIMA), the Controller General of Accounts (CGA), the Controller General Defence Finance (CGDF), and the Additional Director General (Finance) of Bangladesh Railway for the upcoming fiscal year. Together, we aim to achieve the strategic goals set forth in the Strategic Plan FY 2021-2025.

The Operational Plan FY 2024-2025 translates strategic goals into tangible outcomes and outputs, integrating activities from the previous year and introducing new initiatives crucial to realizing our vision. Input from OCAG, FIMA, Audit Directorates, CGA, CGDF, and ADG (Finance) Bangladesh Railway, as key stakeholders, was pivotal in crafting this plan. Extensive workshops and discussions ensured alignment with stakeholder feedback.

I extend my sincere appreciation to all colleagues for their dedicated efforts in developing this plan amid challenging circumstances. Special thanks to the dedicate team responsible for development of draft OP and those who provided valuable feedback throughout the process.

I am confident that the effective implementation of the Operational Plan FY 2024-2025 will optimize public resource utilization, promote good governance, and deliver enhanced value to citizens, as mandated by Parliament and our stakeholders.

S M Rezvi

31 July 2024

Deputy Comptroller and Auditor General (A&R)

#### Introduction

The Operational Plan (OP) of SAI Bangladesh for FY 2024-2025 has been meticulously crafted to support the successful implementation of OCAG's Strategic Plan FY 2021-2025. This plan builds upon the achievements of the Strategic Plan, aligning with its strategic objectives and cross-cutting priorities. Stakeholder consultation was paramount in the development process, resulting in a synthesis of key issues which were then thoroughly analyzed to formulate strategic choices. The Operational Plan serves as a detailed blueprint to track the annual implementation of the five-year Strategic Plan. Aligned with the Results Framework of the Strategic Plan, the Operational Plan specifies annual activities essential for achieving the four outputs of the Results Framework.

This Operational Plan identifies fifteen activities to achieve the first output objective, four activities for the second output, fourteen activities for the third output, and ten activities for the fourth output. Each activity has specific milestones with target dates, and responsibilities are assigned at various levels, including the OCAG, Audit Directorates, FIMA, CGA, CGDF, and ADG (Finance) Bangladesh Railway. Essential financial and human resources are allocated to implement both audit and non-audit activities.

To date, twelve activities have been completed and three activities have been partially completed under the first, second and third Operational Plans. Some activities are on-going in the current Operational Plan, while new activities have been introduced to meet current needs. The completed activities are detailed in the table below:

# **Table 1: Completion Status**

Strategic Outcome-01: Increased Credibility in the SAI's Activities to the Parliament and other Stakeholders will help the Policymakers to take Appropriate Measures for Prudent Management of Scarce Public Resource

#### Conclusion

The OCAG plans to build on its past successes while addressing the challenges in implementing its Operational Plan (OP). The Strategic Plan will be meticulously tracked through a detailed Operational Plan, which will outline the yearly implementation strategy aligned with SAI's available resources and prioritized activities. These resources, both human and financial, are allocated to the OCAG to fulfil its constitutional obligations. The OP specifies which portions of the Strategic Plan will be executed during FY 2024-2025, ensuring that SAI focuses on achieving the strategic plan's outputs. This focus will ultimately facilitate the realization of the strategic outcomes.

Activity 1.1: Preparation of Annual Audit Plan for Compliance Audit (Risk Assessment, Analysis of Relevant Topics, Annual Audit Plan Finalized and Approved)
